Groups Package Menu

Frequently asked questions from our groups...

What is the minimum and maximum for a group?

The minimum for a group booking is 5. We do not have a maximum for a group booking. In our Arabian marquee we can cater for up to 8 guests to be treated at a time. If there are more than 8 guests within the group we would split the group into two for their treatments. The group would then have alternating bathing and treatment times with lunch together in the café.

What payment is required for a group booking?

We require 100% deposit upon booking. Our cancellation policy can be viewed through the terms and conditions on your booking and on our website. We recommend to book 6 weeks in advance for weekends and 3 weeks in advance for week days.

What is included with the groups lunch?

We allow approximately an hour and a half for the groups lunch. Lunch consists of 5 hot and cold gourmet food platters. A glass of wine or freshly squeezed juice is also included followed by a seasonal

fruit platter with tea or coffee. The groups menu is seasonal and platters are dependent on what fresh produce is available. We cater for any dietary requirements.

Are there age restrictions for a group booking?

For all of our group packages, guests do need to be over the age of 16 years because treatments, dining and some bathing are in adults-only zones.

Can I tailor a groups package?

Yes, you can select from many treatments in our Spa Dreaming Menu. However, if you would like your treatments in the Arabian marquee, the booking must include bathing and a meal.

When can I contact the Groups Department?

Our Groups reservation department is open to make a Group Booking Monday-Friday between 9am and 5pm.
