We believe outer radiance flows from inner harmony, and that spa treatments have the potential to nourish and elevate your entire being.

The Spa Dreaming Centre and Whispering Sheoak Huts provide a sanctuary where you can rediscover your essential nature. Experiences in the spa are also combined with geothermal mineral bathing to enhance your treatment and create a holistic wellbeing odyssey for mind, body and spirit.

Treatments are performed by expert therapists who personalise your journey according to your unique needs and preferences.

All spa treatments include the hire of robes, towels and lockers for your comfort.

face and body treatments

Botanical Journey – This aromatic journey begins with an organic mineral mud wrap followed by an organic hair and scalp treatment and flows into a relaxation massage before concluding with your nourishing facial. We use a potent, curated blend of botanical oils to awaken your senses, promote therapeutic benefits and leave you feeling profoundly relaxed.

✓

Refresh – Experience a 45-minute focused massage targeting the most common areas of tension—back, neck, and shoulders and a 30-minute facial to brighten your mood and deliver noticeable results. This massage uses a blend of native Australian oils to enhance physical and emotional wellbeing, while the organic facial leaves you glowing.

✓

Surrender Ritual – A deeply restorative fusion of body and facial therapy. Begin with a 75-minute full-body massage using certified organic, bioenergetic oils to release tension and reset the nervous system. Follow with a 30-minute facial.

✓

facials

Holistic Balance – A nurturing facial that includes cleanse, tone, exfoliation, mask, and a soothing face and décolletage massage. Restores hydration and radiance, while relieving facial tension.

✓

NEW

Synthesis Signature Bioenergetic – This holistic facial is customised to your needs and includes lymphatic drainage to encourage circulation, reduce puffiness and brighten complexion. We perform facial massage using gua sha methods to smooth fine lines and restore the skin while melting away muscular tension.

✓

Subtle Energies Age Defying Radiance –

Be revitalised with this unique anti-ageing facial tailored to your needs. Through a blend of ancient beauty wisdom and modern science, this results-driven treatment will leave you fresh-faced. Our signature aromatic facial massage will encourage you to release muscular tension and melt away.

✓

body treatments

NEW

Salt Glow Ritual – A mineral rich full body sea salt exfoliation body buff. Be enlivened with this mineral rich exfoliating body buff using mineral-rich ocean salts to help stimulate circulation and release toxins. To finish, rich ingredients are applied for full body hydration, leaving your skin visibly radiant

✓

Synthesis Organics Mineral Mud Wrap –

Experience a Synthesis Organics botanical sea salt exfoliation before being cocooned in deeply cleansing Australian volcanic mud enriched with minerals, soothing botanicals and gently warming ginger. This treatment helps encourage circulation and oxygen flow and concludes with mini-facial. The end result is incredibly soft and radiant skin and a sensation of being grounded, warm and energised throughout your body.

body treatments *(continued)*

Subtle Energies Rasayana Detox Body Wrap –

This active body treatment begins with a zesty exfoliation using essential oils, cinnamon powder and walnut shells. Your body is then cocooned in an exquisite mineral-rich clay infused with spiked ginger lily, spirulina and green tea for a detoxifying effect. Experience full body hydration with a choice of aromatic body lotions to finish. This treatment helps cleanse, tone and hydrate your skin, improves circulation and nurtures your entire being.

✓

massage

Escape – A focused treatment targeting the most common areas of tension—back, neck, and shoulders. Perfect for guests experiencing stress, muscle fatigue, or postural strain.

✓

Blissful Marma – Marma is a traditional Ayurvedic technique where energetic points are gently stimulated and long, flowing movements are performed using various levels of pressure. This full-body treatment is designed to release stagnant energy for a sense of balance and flow.

✓

Peninsula Vine – This ultra-hydrating and healing massage, which involves products developed specifically for Peninsula Hot Springs made using local Shiraz grapes, will help you to feel grounded and connected to place. Your skin will be exfoliated and refreshed while your mind is quieted.

✓

Kodo – Enter into a state of grounding and harmony with this unique rhythmic massage. Named after an Indigenous word for ‘melody’, Kodo incorporates Ya-idt’midtung healing techniques from Aboriginal Elder Anne Warren and involves deep tissue pressure point and spiraling movements to promote energetic flow, clarity and restfulness.

massage *(continued)*

Dreamtime Stone – This special full body experience is more than a massage, this is a signature Synthesis Organics immersion. Guided by the vibrational resonance of Australian-sourced crystals and warmed stones it is designed to cultivate inner stillness, quiet awareness and the art of dadirri (deep listening).

√

Relaxation – Enjoy full-body relaxation incorporating Swedish and Shiatsu style massage techniques for a profoundly calming effect. Each massage is customised, so you can relax and surrender beneath the knowing hands of your therapist.

√

Yinga Deep Tissue – Deeply relaxing massage created to release overworked & tense muscles. Created in collaboration with a local Bunurong / Boon Wurrung Elder, this treatment begins with a smudging ritual and uses pressure point and stretching techniques for a sense of wellbeing- not a remedial massage

√

Pregnancy massage – Nurture your wellbeing during pregnancy and allow yourself to unwind in the gentle care of our expertly trained spa therapists. Your 75-minute tailored massage is designed to ease the physical demands on your body, promoting lightness and calm.

√
