bathing prior to check-in

Check-in to your glamping tent is 2pm. If you're planning to arrive earlier and want to bathe prior to checking in, our team will do their best to accommodate your request, however due to COVID safety requirements, this will be subject to availability.

You'll be given a map upon arrival and there's a torch in your room, so be an explorer – just remember to stay on the lit paths and notice and respect the signs which steer you away from staff only areas.

an insider's guide to glamping

in room tips

heating/cooling

Create your own environment, turn on the heated floors using the panel above the bed, adjust the air temperature with the split system – set the temperature to your own liking.

wristband

Your Peninsula Hot Springs wristband is your door key and will identify you as a glamping guest. Keep it with you during your stay and remember to bring it with you when you check out.

ecofriendly

We're striving to be as ecofriendly as we can and have installed toilets which reuse the waste water from the basin to fill the cistern. The tap in the basin will run a little longer than expected, but it will stop when the toilet has been refilled.

devices

If you like to go to bed watching your favourite show remember to **bring your own device** and make the most of our free Wi-Fi. Earphones are a good idea, just in case your neighbour is a light sleeper!

nature sounds

The sounds of nature will be all around you as you retreat to your glamping tent, from the rolling waves at the back beach to the frogs in our wetlands. We've included earplugs in your room if you need them.

smoking

Smoking in the glamping area and within your accommodation is prohibited. A designated smoking section is located at the entrance to Peninsula Hot Springs.
